The Mutual is comprised of 864 shares of stock. The Golden Rain Foundation is not a housing corporation, but a corporation that manages the shared community facilities. Each owner of a share of stock in the Mutual (hereinafter “Shareholder”) is a shareholder of the mutual as well as a member of the Golden Rain Foundation. The Mutual has its own set of governing documents, filed with the Secretary of State and transferred to each shareholder through escrow.

According to California Civil Code Section 51.3, in order to reside in a senior housing development at least one occupant must be 55 years of age or older; all other persons who reside must be at least 45 years of age, unless the other occupant is: (1) a spouse or registered domestic partner; or (2) a primary provider of physical health care. Any person wishing to reside in the community must meet the above qualifications and obtain prior approval from the Board of Directors.

Section 1.3 – Governing Documents.

The Mutual’s governing documents include these Rules and Regulations, the Articles of Incorporation, Bylaws, and an Occupancy Agreement between the Mutual and each Qualifying Resident (hereinafter collectively the “Governing Documents”). The Mutual leadership consists of a(n) ____ member Board of Directors (hereinafter “Mutual Board”), elected by the shareholders of the Mutual.

Section 1.4 – Golden Rain Foundation.

The purpose of the Golden Rain Foundation (“GRF”) is to develop and maintain facilities and services, acting as Trustee of the Golden Rain Foundation. Article II – Architectural Guidelines

Section 2.1 – Contractor’s License.

No Shareholder shall hire any unlicensed individual to perform repairs, alterations and/or other such work in or to the Shareholder’s Unit which will cost more than five hundred dollars (\$500.00). All repairs, alterations and/or other such work that will cost more than five hundred dollars (\$500.00) must be completed by a contractor licensed by the State of California and carrying the proper insurance, as required by the Board.

Section 2.2 – GRF Permit for Building Alterations/Additions.

In order to conduct any construction for the alterations and/or additions in the Shareholder’s Unit within the Mutual buildings, the Shareholder must submit an application for issuance of a building permit to the Physical Property Department and obtain a GRF Building Permit for the alterations and/or additions. The Shareholder must provide the Physical Property Department with a written, signed proposal and contract between the Shareholder and the Contractor performing the work, which describes the work to be done by the Contractor, the fees to be paid, and the commencement and completion dates of the work. Such contract must be in the form of the appropriate Standard Form Contract provided by GRF and must be properly completed and signed by the Shareholder and contractor proposing to do the work.

The Standard Form Contract will contain a per day penalty for every calendar day that exceeds the completion date set forth in the Contract. Said penalty to be paid by the Contractor to the Mutual. The Mutual Board, or its designee, may make an exception to the completion date and award an extension to the contractor without penalty due to unforeseen delays or problems.

Mutual requires the signature of a Mutual Director on any building permit, building plans, and change orders issued for Unit remodeling and approved by GRF.

No Shareholder shall make any structural alterations in the Unit or Mutual premises, or in the water, electrical conduits, plumbing or other fixtures connected therewith, or remove any additions, improvements or fixtures from the Unit or Mutual premises, without the prior written consent of the Mutual and GRF.

Section 2.3 – Installation of Showers/Bathtubs.

Shareholders may install a bathtub within the Shareholder’s Unit at the Shareholder’s own expense, so long as the bathtub meets the requirements set forth in this section. The bathtub must have a minimum inside width of nineteen (19) inches. A Shareholder may install a shower door (piano hinge) within the Shareholder’s Unit, when shower cut-downs are performed in the Shareholder’s Unit, at the Shareholder’s own expense.

Section 2.4 – Skylights.

Subject to the approval requirements contained herein, a Shareholder may install a skylight over specified locations in the existing roof structure of the Shareholder's Unit, at the expense of the Shareholder. The Shareholder and Contractor must utilize the Standard Form Contract prepared by the Physical Property Department. The construction must conform to the plans and specifications approved by the GRF and Mutual Board. The Shareholder must obtain a building permit from the City of Seal Beach, California. The Shareholder must agree that title to the remodeling and addition shall vest in the Mutual.

At the time of installation or replacement of skylights or skylight domes, manufacturer approved sealant must be applied between the frame and skylight dome. The skylight size and placement must be approved by the Mutual and GRF and installed per City of Seal Beach code.

Section 2.5 – Microwave Ovens.

A Shareholder may install a special model microwave in the kitchen of the Shareholder's Unit, at the Shareholder's own expense, in place of the stove hood. The installed microwave will be a permanent installation to be maintained by the Shareholder and on resale of the Mutual Share related to the Unit, the new Shareholder will assume responsibility for the maintenance.

Section 2.6 – Ceiling Fans.

Ceiling fans may be installed in any location/ the kitchen provided that they meet the City of Seal Beach's specifications of a six (6) feet, eight (8) inches clearance from blades to floor. Ceiling fans are permitted in any location in a Unit provided ceiling heat in said room has been disabled and an approved alternate heat source has been installed and is operational.

Section 2.7 – Notification of Remodeling.

The Physical Property Department is instructed to notify the Shareholder of all adjacent Units that share common entryways of the intent and scope of all proposed remodeling work. Any adjacent Shareholder who is unable to be notified in person will have a letter mailed to them indicating the intent and scope of remodeling work to be performed.

Section 2.8 – Washers and Dryers in Unit.

Any washer and dryer in a Shareholder's Unit, of any make or model, whether side by side or stackable, shall be cleaned every year, so that all dryer vent areas are thoroughly cleaned and free of lint for clear passage of air flow from machine to roof top areas. A sticker with the date of cleaning must be affixed to the cleanout cover every time a cleaning is performed by Service Maintenance or an outside vendor.

In addition, all washing machine hoses and fittings must be checked every two years for any leakage or hardening and/or cracking of the hoses. Moving the washer/dryer is not a requirement. If any of these conditions are found, the hoses are to be replaced with a follow-up by the GRF Building Inspector to verify completion. In all closes of escrow and changes of stock, all hoses must be changed prior to closing. The maintenance fee for this work shall be borne by

the Shareholder. Further, during the fire inspections conducted every year, the Mutual Director will compile a list of all units containing a washer and dryer.

New washer and dryer installations shall be submitted to the Physical Property Department with a plan describing the proposed connection to the sewer. All washers shall be installed with a battery powered Flood stop shut off valve. Only braided metal supply hoses are allowed for the appliance. Dryer vents must go to the roof and have a clean out accessible within the Unit. All venting must be galvanized pipe with a short flex line used for the connection to the appliance. This ensures that the appliance may be pulled out and serviced without breaking the vent seal. The contractor may cut a hole for the vent from within the attic but may not have access to the roof of the Mutual building. The contractor must then contact the Mutual roofer to have it flashed with the approved damper cap. An insulation inspection must occur to verify the presence of the soundproofing before the GRF Building Inspector will sign off on the project. The Shareholder and/or Qualifying Resident assumes full responsibility for any damage incurred as a result of the installation and/or use of a personal washer and/or dryer in their Unit.

Section 2.9 – Walk-In Therapeutic/Jacuzzi-Type Bathtubs.

A Shareholder may install a walk-in therapeutic bathtub or Jacuzzi and the related equipment/appurtenances, at the Shareholder's expense, within the Shareholder's Unit. The Shareholder shall assume financial responsibility in case the licensed installation company fails to comply with all provisions of the permit and all GRF and Mutual Rules and Regulations and agrees to return the Mutual property to its original condition or satisfactorily complete the installation upon demand by the Mutual.

The Mutual has the authority and authorization to remove the bathtub/Jacuzzi and related equipment/appurtenances and return the shower/tub area to its original condition at the Shareholder's expense if the installation does not comply with the provisions of this Section.

The walk-in therapeutic bathtub/Jacuzzi shall have: (i) a STC 50 Sound insulation system applied to all surrounding walls, floor to ceiling, with drywall mud and tape; (ii) the shower trap shall be replaced using an all-glue ABS trap and a 2" trap with accessible clean out shall be maintained; (iii) all new water piping shall be copper pipe. Water tie-ins shall be in the attic with ball valve shut offs; (iv) A 24" x 24" attic access shall be provided in the bathroom for access to the shut off valves. The attic access cover shall be a combination of plywood laminated to a 5/8- inch type X drywall with the drywall facing the attic side; (v) The bathtub/Jacuzzi faucets shall have quarter turn shut offs that are accessible. The discharge of water shall be by gravity drain. A pump may only be used if the discharge rate does not exceed 7 gpm. Air injection jets may only be installed if they do not exceed a 44-decibel sound level. If they are an integral part of the bathtub/Jacuzzi, they must be disabled if they do not meet this sound level; (vi) A non-standard 50-gallon water heater shall be installed with a re-circulating pump for the bathtub/Jacuzzi unless an alternate source for maintaining adequate hot water temperature at the bathtub/Jacuzzi is provided such as a tank-less booster water heater at the bathtub/Jacuzzi. The installation and maintenance shall be at Shareholder's expense; and (vii) The main electrical panel must be upgraded to a 125-amp

square D electrical panel with a 100 amp main breaker, if necessary, to provide sufficient circuit breakers. A sub-panel is not permitted.

Section 2.10 – Pre-Demolition.

The Shareholder's Contractor shall notify all surrounding units four (4) days prior to demolition of any kind. Contractor may petition the GRF Building Inspector to designate one parking space to be coned off overnight Monday through Thursday, only during the initial phases of construction. The Mutual reserves the right to revoke any such designated parking space at any time.

Contractors shall block off their site with an approved orange netting at all times until final inspection occurs. They may use the grass areas in front of the unit during the day when marked off by the orange netting. All work tools must be removed from the grass area overnight and on weekends. The Mutual is not responsible for any damage, loss and/or theft of the contractor's tools or the landscaping damage caused by the Contractor

Section 2.11 – Demolition.

The contractor must, at all times, have an approved, fully charged and visible fire extinguisher on-site. Demolition must be tarped off so that no dust can enter the common attic space or affect neighboring units. If possible, the contractor is to lightly spray the demo area to keep dust down. Contractors may not use Mutual trash dumpsters to dispose of material. All trash must be hauled off site daily. The contractor must ensure that the work area is visibly blocked off from any access. The Shareholder and contractor will be responsible for any damage or injury caused to any Shareholder, guest or invitee who is injured due to the contractor's failure to safely secure the work area.

Section 2.12 – Concrete.

Any new concrete work being done at a Unit must include a 12" concrete apron along the front of the garden. With the apron, the hose bib line will need to be changed to copper type L with an approved hose bib. The copper line must pass through the concrete with a sleeve of ABS larger than the copper pipe. All new concrete defined as foundations, patios, aprons, and walkways shall be doweled into existing slabs a minimum of 24-inch on center with a #4 rebar and at least a 6-inch embedment.

Section 2.13 – Framing.

At framing inspection, the contractor shall treat the exposed framing for termite resistance with a product such as Tim-bor. Tim-bor must be applied by brush or spray as follows: two applications of a 10% solution when drier than normal; one application of 15% solution when normal moisture.

When a Unit is remodeled, the architect, engineer, and/or contractor shall design and construct all the ceiling systems in such a way that allows for a minimum of 1" unobstructed flow of air from the eave vents up to the ridge vent. No framing material or insulation shall obstruct this air flow. If the insulation is going to close this 1" space, then a plastic baffle shall be installed to

maintain it. No wood trim or coverings will be allowed on the exterior. Only termite resistant products shall be allowed on the exterior finish. Cement fiber trim and hard panel siding are standard. However, composites may be reviewed by the Mutual Board for approval. The only wood to remain for an exterior remodel is the original roof overhang that includes vent blocks, rafters, fascia, and plywood. If these are damaged or repaired by the contractor, the contractor shall replace wood to match existing and paint to match. Wood must be treated with TIMBOR and primed and painted with the approved paint. The Mutual will maintain the maintenance responsibility for the exterior wood upon completion and approval of the work.

Section 2.14 – Drywall.

All drywall at common walls, ceilings, skylight shafts shall be type X 5/8.

Section 2.15 – Plumbing.

The Shareholder shall ensure that if any work is to be done on exposed original plumbing, (water/sewer) the plumbing shall be changed to either copper type L with sweat joints or ABS with no hub connections. Full remodels shall have a brass ball valve main shut off installed for the cold water entering the unit and at the water heater. From this location, all cold-water systems shall be in copper type L and be directed to the kitchen and bathrooms.

If localized remodels occur for the kitchen or bath, a valve shall be used for the cold water servicing these locations. All valves shall be easily accessible. The shut off valve for the hot water shall be at the cold-water supply to the water heater and easily accessible through a panel. The water heater shall be easily accessible for service and have a drip pan and water alarm installed by the contractor for any plumbing remodel. Only metal braided supply lines with ¼ metal angle stops are allowed for all plumbing fixtures. Toilet supply lines shall have metal nuts.

Section 2.16 – Electrical.

If a new circuit is required and space cannot be found within the existing panel, then a new panel will be necessary and shall only be Square D Q0124L125A 24 spaces/24 currents with 100 amp main shut off. No sub panels when remodeling. All electrical boxes in the common walls shall be metal, not plastic. All remodels shall require high efficiency lighting such as LED, Gu24, or fluorescent tube.

Section 2.17 – Draftstopping.

Draftstopping will be required within the attic space along the sides of the unit, but not at the attic corridor under the ridge. Draftstopping may be a minimum of 5/8 OSB, plywood, or type X drywall from the top plate and extend to the underside of the roof sheathing. Draftstopping need only be installed in such a manner as to remain in place with minimal framing/backing required.

Section 2.18 – Insulation/Sound Proofing/Fireproofing.

All common walls shall be insulated for soundproofing and fireproofing. The common walls, when open in a remodel, shall be filled with a mineral wool such as Roxul Safe 'n Sound. Any penetrations for plumbing or electrical shall be sealed with approved fireproof sealant or spray foam. All electrical boxes in common walls shall be metal.

Section 2.19 – Flooring.

Shareholders may replace flooring within their Units. Any replaced flooring must be tested or disposed of properly at Shareholder's expense. Patio flooring transition to entry walks are Shareholder's responsibility and must be made flush. Based on experience, Bamboo flooring is not recommended in Mutual Two.

Section 2.20 – Dishwashers.

Shareholders may have any make or model built-in dishwasher installed in their Units at their own expense by a licensed contractor approved by the GRF Physical Property Department after securing the necessary permits from the GRF Physical Property Department and City of Seal Beach prior to beginning work. The dishwasher requires a separate electrical circuit. The Shareholder assumes full responsibility for any damage incurred as a result of a dishwasher, whether built-in or portable in their unit.

Section 2.21 – Appliances.

A Shareholder that has lived in his/her Unit for eighteen (18) months or less, and received new appliances from the Mutual, may not remove the appliances in a remodel unless they refund the Mutual the full value of the appliances at the time of installation.

No appliance which is Mutual property may be sold, given away, or disposed of by the Shareholder and/or the contractor. The Shareholder or contractor must notify a director on the Mutual Board or the GRF Building Inspector to confirm what options are authorized. This notification must be made at least seven (7) days prior to the removal of the appliances. If any appliance is stored in the Unit, it must continue to be cleaned and left undamaged until the Mutual picks up the appliance. Mutual appliances are defined as: stoves, ovens, hoods, refrigerators, garbage disposals, water heaters, sinks, faucets, lighting fixtures Bathroom exhaust fans and countertops.

All expansions or permanent fixtures and appliances to the unit become Mutual property when attached to the building. The Mutual and/or GRF will not be responsible for any reimbursement of any expansions or fixtures which become Mutual property.

Section 2.22 – Exterior Coverings and Blinds.

Plans for all exterior coverings and/or blinds on windows, doors, doorways, and entry or exit areas must be submitted to and approved by the Mutual Board and meet the standards and approval of the Physical Property Department prior to installation. Exterior coverings, including but not limited to solar blinds, mini blinds, vertical blinds, or roll- up bamboo blinds, are permitted only within the inside of each Shareholder patio or Unit, and may not be attached to the Mutual's building outside of the patio, or interior window header when the unit has been extended. The Mutual prohibits exterior coverings to be attached to the building outside of the patio header or attached to rafter tails or building fascia.

Section 2.23 – Gutters.

A patch to a gutter is not permitted in any remodel which alters the gutter or moves a downspout. A contractor may reuse and modify the downspout. Full lengths of gutter without patches must be installed by the contractor. A contractor must contact the Mutual-approved roofer and have the roofer install full lengths of gutter without patches on new roofs that have gutters with one seam at the middle of the building. The install will be at least one half the entire length of the building without patches. Downspouts may be reused but will only be located as per the GRF Building Inspector's direction.

Section 2.24 – Equipment Standards.

The Mutual has approved a revised standardization of appliances list. This list may be updated by the Purchasing Department from time to time as manufacturers improve, modify or replace models, thereby altering the current applicable model numbers. The revised list will be published annually. It is attached hereto as Exhibit "A".

Section 2.25 – Smoke Detectors.

When all or any remodel work is done to a Unit, ALL smoke detectors/alarms must be replaced with a Kidde i9010 Tamperproof 10-Year Sealed Lithium Battery-Operated Smoke Alarm and/or Kidde 12010S Worry-Free Hardwired Interconnected Smoke Alarm Sealed Lithium Battery Backup, where applicable, or an equal and equivalent device approved by the Mutual Board.

Section 2.26 – Performance Bonds for Construction Work over Ten Thousand Dollars.

Permits for any construction work performed in the Mutual valued at more than \$10,000 shall require a Performance Bond. The bond shall provide sufficient funds in the event the work is not completed on time, in accordance to approved plans, and/or to the satisfaction of the Mutual, for any reason. Exceptions to this bond requirement are as follows: (1) The contractor is listed on the Physical Property list of approved contractors; and, (2) The contractor has completed more than one-hundred thousand dollars (\$100,000.00) per year in contracts in Leisure World for the last three (3) years.

Section 2.27 – Roof and Attic Access.

No person shall access the roof or attic areas of any building in the Mutual without the express permission and approval of the GRF Building Inspector.

Section 2.28 – Filled Concrete Block and Footings.

A Shareholder may apply to GRF to obtain a permit for the use of the "filled type" decorative blocks in enclosing patios. A Shareholder must acknowledge that sufficient footings will be placed under the edge of the slab where said blocks are to be installed, in order to adequately provide for the added weight on the slab.

Section 2.29 – Liners for Decorative Block Walls.

This policy is adopted to enhance the enjoyment of the Mutual Two living style by setting and enforcing standards for Mutual Two landscaping while taking into account shareholders’ personal tastes and creativity.

This policy outlines the shared responsibilities of the Mutual Two and its members. The Landscape Committee is entrusted with the management of landscaping including the responsibility for inspections and enforcement of this this policy.

Any planting which can reasonably be expected to damage walls and deco blocks, roofs, gutters, posts, sidewalks, as part of individual units is not allowed.

Section 4.2 – Resident Garden Areas.

The area extending 24 or 36 inches from the exterior wall of the Unit is set aside for the Shareholder’s garden. The sides of the corner Units shall have a 48-inch limit. At the time of sale or transfer of stock, the Mutual Board will review the area and decide whether those areas which have been extended beyond these limits will be returned to the 36 or 48 inches or left as extended and will decide if any vegetation needs to be removed

Section 4.3 – Trees within Garden Areas.

Trees with invasive root systems will be required to be retained in pots or tubs and all trees will be required to be kept 12 inches below eaves. The shareholder is responsible for any damage caused to the building by their tree.

Section 4.4 – Plants within Garden Areas.

Shareholders are responsible for the care of their planting area, including watering, pest control, weeding and fertilizing. The Mutual's contract gardeners will trim bushes, rake, and cultivate routinely. Rose bushes and other large bushes will be pruned and trimmed annually, usually in January or as needed. Spraying or tending flowers and other plants are not standard services.

Plants that climb must be confined to a trellis which is anchored in the ground, is self-supporting, and located at least 6 inches from any wall or deco-blocks. Plants that are allowed to grow outside of the designated garden area or come into contact with the building may be cut back by the Mutual's gardeners. When making repairs or painting the building, shrubs, vines, trees and other growth will be cut, trimmed or removed as necessary so as not to interfere with repairs or painting.

Any shareholder who wishes to change their yard to drought tolerant landscaping may do so with the understand that the shareholder will be responsible for all cost to install and maintain the planned landscaping, and agrees to remove the landscaping at their expense if said landscaping is not properly maintained. Patio or lawn furniture (chairs, tables, lounges, etc.) may not be left on the lawn or in the garden area overnight except when the shareholder has received Mutual Board approval and must be removed on "mowing" days.

Section 4.5 – Pest Control and Fertilization within Garden Areas.

Any pest controls or fertilizer that may cause harm to pets and /or wildlife are prohibited. Roundup is not allowed anywhere in Mutual 2.

Section 4.6 – Potted Plants.

Potted plants are not permitted on entrance walkways; nor can they inhibit the 36-inch entry requirement. Further, potted plants are not permitted on top of, or hung from Padmount transformers, nor on telephone vaults or walk lights. Cement pavers must be under all pots containing trees or large plants.

Section 4.7 – Maintenance of Garden Areas.

Shareholders must water their garden responsibly, with no hose left on in the garden. Garden areas which are neglected or allowed to fall into disrepair may be taken over by the Mutual Two Board of Directors.

The Mutual gardeners will trim and weed each Shareholder's garden periodically. To opt out of this service, place red flags in the garden. Red flags are available from the Landscape Chair. Shareholders who decline gardening services are expected to keep their garden groomed and free of debris. If accumulated debris is not removed by the shareholder, the Mutual has the right to have gardening service perform this task, and it will be the shareholder's responsibility for excessive costs. Plant materials or hoses must not extend outside the boundaries of the garden area or over sidewalks, entry walks, turf, or into neighboring gardens. A freestanding trellis may be utilized for plant support but must be installed at least 6 inches away from the building to prevent plants from damaging or growing onto the building or deco blocks.

If a shareholder does not adhere to the requirements of the landscape policy, the Mutual will advise the shareholder, in writing, of the problem to be corrected. If the problem is not corrected, the Mutual may take steps to remove the plant material from the garden.

Existing flower beds range in width from 24" to 36" and cannot exceed 36" in front; side gardens cannot exceed 48". Flower beds are cultivated, weeded, and trimmed by contracted landscapers every six (6) weeks. Shareholders who desire to do the work themselves may alert the landscapers by placing red flags within the flower bed. Flags are available from gardeners. Landscapers are instructed to remove weeds from all flower bed areas.

Section 4.9 – Prohibited Uses of Garden Area.

Front and side gardens may not be used as storage areas. However, a box with earthquake material is allowed.

Section 4.10 – Approved Plants.

There are no approved or non-approved plants. However, there are suggestions of plants that Shareholders are encouraged to consider or are suggested to avoid. If a shareholder has any questions, they should contact the Mutual 2 Landscape Committee Chairperson for guidance.

Azalea, Fuchsia, Indian Hawthorn, Rose, Camellia, Gardenia, Juniper shrubs (small), Star Jasmine, Dahlia, Hibiscus, Lily of the Nile, Day Lily, Holly Family, Mirror Plant, Flax, Hydrangea, Nandina Domestica

Only organic materials may be used. No pots of any kind will be allowed in or around the tree well. All materials purchased and used for the project will be at the shareholder's expense.

No topsoil is to be used at the base of the tree (at least 3 feet away from the trunk.) Mulch should only be used to cover the roots of a tree (when applied against the bark at the base of a tree, mulch will cause basal trunk rot due to the constant shade and moisture and may severely damage the tree.)

Section 4.13 – Turf Areas.

Shareholders are not permitted to adjust turf area sprinklers. Shareholders are encouraged to report any area that is not adequately irrigated by the sprinkler systems.

Section 4.14 – Laundry Room Planters (PLANTER AREAS).

Laundry Room Planter Areas are a part of the Mutual's landscape/lawn property. Shareholders may design and landscape these areas at their own expense with prior Landscape Committee

approval. Shareholders will be responsible for the care and maintenance of these areas. Mutual gardeners will mow turf only as needed.

If shareholders have more than one car or have a golf cart or scooter, they may rent or use another shareholder's carport space if both agree and they have signed the Carport Usage/Rental Agreement. The executed agreement must be recorded at the Stock Transfer Office to be valid. Unauthorized use of any empty carport space may result in the vehicle/golf cart/scooter being towed at the expense of the owner of the vehicle.

Carports are to be used for parking of self-propelled land vehicles in operating condition. All passenger vehicles that can be operated on city streets MUST have a current DMV registration, license plate tags, and sufficient insurance as mandated by the State of California Vehicle Code (CVC) Section 22658. All vehicles, parked in the carport must have a Seal Beach Leisure World (SBLW) decal issued by the Security Department affixed and displayed on the lower left windshield; however, the Mutual Board may waive the requirement to display and affix the SBLW decal ONLY in unique and rare circumstances (contact the Mutual Board for consideration). Any vehicle that is not compliant with these rules may be towed at the owner's expense and as specified in CVC Section 22658. Any stored items in the carports must be completely contained in the carport cabinets. Current fire regulations prohibit the storage of fuel or any combustible material in the carport areas. When parked in the carports, all vehicles must be headed inwards. Mechanical repairs on vehicles are not permitted except for minor maintenance such as jumping of a battery, checking or adding oil or water, or changing wiper blades. Changing of oil is not permitted. No person shall park any vehicle in any carport not assigned to them without permission from the affected shareholder. Any vehicle leaking oil, anti-freeze, or any other hazardous material is prohibited from parking in a Mutual carport or on a Mutual street or driveway. It is the shareholder's responsibility to clean up any hazardous material spill or the Mutual will have them cleaned up. In such case, the shareholder will be billed for the cost. ALL hazardous waste materials, including kitty litter, must be disposed of at any Orange County Approved Hazardous Waste Site. The carport floor space may NOT be used as a storage area, whether free-standing or in any type of container. Boats or trailers of any size or kind may not be parked in the carport. Any damage to the carport is the responsibility of the assigned shareholder, not any renter of a carport. Car covers may be attached to the carport and must be removed at the time of painting. Only a Bicycle, Tricycle, folding shopping cart or ladder may be stored under the cabinet in the Shareholder's assigned or rented space. At each inspection of the carports by the Mutual Board representative, a notice will be given to the shareholder whose carport is in violation of this policy. Improperly stored material must be removed within ten (10)

days or the material will be removed at the Shareholder's expense. In order to accommodate routine cleaning and property servicing, Shareholders may not store an inoperable vehicle in a carport space. Shareholders may have ceiling or wall fixtures installed to accommodate items such as car covers or ladders.

Section 5.17 – Carport Assignments.

Carport assignments are controlled by the Mutual and a record of such assignments is kept in the Stock Transfer Office of GRF. Shareholders desiring to change carport assignments must negotiate the new arrangement on their own and obtain approval from the other Shareholder and record the exchange in the Stock Transfer Office.

Section 5.18 – Secondary Carport Storage Cabinets. – Specs are available at GRF Physical Property

Shareholders are permitted to have a secondary carport storage cabinet installed beneath the existing cabinet with approval of the Board of Directors and a permit from the GRF Physical Property Department. The maintenance and damage to carport cabinets is the responsibility of the Shareholder. Carports that have secondary storage cabinets below the original cabinets may have ladders attached to the cabinets or walls. Any other construction which involves the Mutual's carports, walls, floors, beams or ceilings is not permitted.

Section 5.19 – Electric Carts & Golf Carts.

Shareholders who own oversized golf carts or LSVs (low speed vehicles) that are designed to carry more than four people must park these vehicles on the street or in the carport. Golf carts or scooters are not permitted on grass areas at any time. Any cart damaging a sprinkler will result in the owner being responsible for any damage. No charging of electric carts, cars or scooters is allowed in carports. If you presently have an electrical outlet, you will be charged a monthly fee for the additional electricity. Shareholders may park any electric vehicle, including automobiles in their assigned carport space.

Section 5.20 – Sidewalk Traffic Restriction.

5.20.3 Golf Carts or LSVs. Shareholders may operate a golf cart or LSV less than 48” in width on a sidewalk only from the point of origin to the nearest driveway or place of exit to the street. Larger golf carts or LSVs are not permitted to be operated on sidewalks. Shareholders should never exceed five (5) miles per hour on any sidewalk regardless of the time of day. Unless an emergency exists, Shareholders driving golf carts, LSVs, or any other vehicle may not use a sound device to alert pedestrians of their presence. Passing a pedestrian on a sidewalk is acceptable ONLY if the pedestrian acknowledges the driver’s presence and invites them to pass. Only soft-voice alerts such as “good morning” are acceptable to alert pedestrians of the vehicle’s presence. Pedestrians always have the right-of-way on sidewalks, followed by, in order of priority, non-powered wheelchairs, power wheelchairs, mobility scooters, Tricycles and Bicycles. Golf carts or LSVs cannot obstruct any portion of sidewalks.

5.20.4 Shareholder Responsible for Injury or Damage. Damage caused by a Shareholder or a Shareholder’s caregiver, family member, guest, or vendor shall be the responsibility of the Shareholder.

Section 5.21 – Towing.

Under the provisions of the California Vehicle Code, Section 22658, the Mutual has the authority to have a vehicle towed from its property. Security Department will advise the Mutual Board when vehicles are in violation and may require immediate action/removal: (1) Violation of Mutual Rules and Regulations related to safety/access/flammable materials; (2) Violation of the Fire Lane Regulation CVC 22953(b); (3) Violation of the Fire Hydrant Regulation. If approval is received from the Mutual, Security Department will notify the towing company to respond and meet the designated Mutual representative(s). A private property towing form will need to be signed by a Mutual representative authorizing the towing company to remove and store the vehicle.

5.21.3 Towing Procedure. If a parking violation does not require immediate action or removal, the Security Department will attach a 72-hour warning notice to the vehicle, informing the vehicle owner of the violation and intent to tow upon non-compliance. A copy of the 72-hour warning notice will be provided to the Mutual Administration Department for processing. After the 72-hour period, Security Department will check for compliance and report their findings back to the Mutual Administration Department. If the Mutual approval to remove the vehicle is received upon confirming non-compliance to the 72-hour tow notice and/or receipt of the registered letter, a tow truck will be appointed to remove and store the vehicle. Caregivers, hired help, or family members may not wash their own laundry in the Mutual’s laundry room. All Qualifying Residents and their guests are encouraged to provide their own security measures and take safety precautions as necessary, subject to the limitations set forth in the Mutual's Governing Documents. 7.1.8 Any incursion into the structure (roofs, walls, etc.) that results in damage or water/moisture penetration and any costs incurred related to such damage shall be the sole responsibility of the Shareholders to fully reimburse the Mutual to repair and remediate such damage.

7.1.9 If the security camera is removed for any reason, the Shareholders shall remediate any holes and/or penetrations that were made relative to the installation of the security camera. Should the new Shareholder fail to accept such responsibility, the Shareholder is responsible for removing any security cameras installed.

7.1.11 Any video footage recordings made by the Shareholder's security cameras are the sole property and responsibility of the Shareholder. The Mutual shall bear no responsibility nor have any liability for the recordings. The Shareholder shall indemnify the Mutual and its managing agents in the event any loss or damage is caused due to any unlawful recording and/or dissemination of video footage obtained by the security camera, by the Shareholder and/or any third party.

Any in attic installation must be approved by GRF/Mutual 2 Building Inspector and installed by a GRF approved contractor.

The Qualifying Resident pet owner is entitled to be accompanied by another person of his/her choice at a meeting, if a meeting is requested. The Mutual Board has adopted these Election and Voting Rules and Regulations (“Election Rules”), in accordance with Civil Code Section 5105, et seq., to establish certain procedural rules

for the successful management of meetings of the Mutual's Shareholders and the implementation of the relevant provisions of the Mutual's Bylaws concerning elections and voting. These Election Rules are not intended to conflict with, replace, or supersede the provisions of the Mutual's Bylaws concerning voting rights, Board member qualification, or any other matter addressed in the Bylaws. Any inconsistency between these Election Rules and the Bylaws shall be governed in accordance with the Civil Code.

Section 11.1 – Number of Directors and Term.

The Mutual Board shall be composed of Nine (9) persons who shall be Shareholders of the Mutual. The terms of office served by the directors shall be a term of one (1) year. Each director shall hold office until a successor is elected or until he/she resigns or is removed pursuant to the provisions of the Bylaws.

Section 11.2 – Qualifications of Directors/Elected Positions.

If title to a separate interest is held by a legal entity that is not a natural person, the governing authority of that legal entity shall have the power to appoint a natural person to be a Shareholder for purposes of running for and serving on the Board. Notwithstanding the foregoing, the candidate shall not be disqualified for election for Director for failure to be current in payment of Regular and Special assessments if either of the following circumstances is true: (i) The candidate has paid the Regular or Special assessment under protest pursuant to Civil Code §5658; or (ii) The candidate has entered into a payment plan pursuant to Civil Code §5665. Furthermore, the Mutual shall not disqualify the candidate pursuant to this Section 11.2 if he or she has not been provided the opportunity to engage in Internal Dispute Resolution pursuant to Civil Code §§5900-5920.

Section 11.3 – Qualified to Serve.

In order to remain qualified to serve on the Board, at all times during such Shareholder's term as a Director, the Shareholder must: (a) remain current in the payment of Regular and Special assessments; (b) not enter into a joint ownership interest, either directly or indirectly, in the same separate interest as another Director; (c) must remain a Shareholder of the Mutual; (d) must not be convicted of a crime that would either prevent the Mutual from purchasing the fidelity bond coverage required by Civil Code §5806 or terminate the Mutual's existing fidelity bond coverage. Notwithstanding the foregoing, the Director shall not be disqualified for failure to be current in payment of Regular and Special assessments if either of the following circumstances is true: (i) The Director has paid the Regular or Special assessment under protest pursuant to Civil Code §5658; or (ii) The Directors has entered into a payment plan pursuant to Civil Code §5665.

Any Director who ceases to meet the qualifications for a Director set forth above and/or in the Mutual's Bylaws shall be deemed to have resigned from the Board upon the occurrence of the non-qualifying event, and the Director's seat may be declared vacant in accordance with the Corporations Code and the Mutual's Bylaws.

Section 11.4 – Nomination Procedures.

The Association shall send to all Shareholders a request-for-candidates form, seeking nominations for candidates for the Board and providing general notice of the procedure and deadline for submitting a nomination for election to the Board at least thirty (30) days before any deadline for submitting a nomination. Individual notice shall be delivered pursuant to Civil Code §4040 if individual notice is requested by a Shareholder.

Nominations will be valid so long as the nominee has either nominated himself or herself, or provides notice of acceptance of the nomination prior to the close of nominations.

If a person or entity nominated is not qualified to serve on the Board pursuant to Section 1(b) of these Election Rules, and the candidate has been provided the opportunity to engage in Internal Dispute Resolution pursuant to Civil Code §§5900-5920, that candidate's name shall not appear on the ballot and that person or entity will not be permitted to serve if elected.

The Inspector shall retain, as Mutual election materials, both a candidate registration list and a voter list. The voter list shall include the name, voting power, and either the physical address of the Shareholder's Unit, the parcel number, or both. The mailing address for the ballot shall be listed on the voter list if it differs from the physical address of the Shareholder's Unit or if only the parcel number is used. The Mutual shall permit Shareholders to verify the accuracy of their individual information on both lists at least thirty (30) days before the ballots are distributed. The Mutual or Shareholder shall report any errors or omissions to either list to the Inspector or Inspectors who shall make the corrections within two (2) business days.

Section 11.5 – Voting Qualifications of Shareholders.

- a. All Shareholders shall be entitled to vote in any Shareholder vote.

- b. These Election Rules expressly:
 - (1) Prohibit the denial of a ballot to a Shareholder for any reason other than not being a Shareholder at the time when ballots are distributed;

 - (2) Prohibit the denial of a ballot to a person with general power of attorney for a Shareholder;

(3) Require the ballot of a person with general power of attorney for a Shareholder to be counted if returned in a timely manner; and,

(4) Require the inspector or inspectors of elections to deliver, or cause to be delivered, at least thirty (30) days before an election, to each Shareholder both of the following documents:

(B) A copy of these Election Rules. Delivery of these Election Rules may be accomplished by either of the following methods:

(i) Posting these Election Rules to an internet website and including the corresponding internet website address on the ballot together with the phrase, in at least 12-point font: “The rules governing this election may be found here:”

(ii) Individual delivery.

c. Each Shareholder shall have one (1) vote per stock owned. In no event shall more than one (1) vote be cast with respect to any stock. When more than one (1) person holds a stock, all such persons shall be deemed Shareholders, provided however, that the vote for such stock shall be exercised as a unit, in accordance with the provisions of the Mutual’s governing documents. If two or more ballots are received for any one stock, the first ballot received shall be counted and the additional ballot(s) discarded.

Section 11.6 – One Vote per Share.

Each Shareholder shall have one (1) vote per share owned. In no event shall more than one (1) vote be cast with respect to any share. In any election of Directors, each Shareholder shall have one (1) vote per open seat on the Board. When more than one (1) person owns any share, all such persons shall be deemed Shareholders, provided, however, that the vote for such share shall be exercised as a unit, in accordance with the provisions of the Mutual’s Governing Documents. If two or more ballots are received for any one share, the first ballot received shall be counted and the additional ballot(s) discarded.

Section 11.7 – Inspector of Election.

At an open meeting, the Board shall appoint one (1) or three (3) persons to serve as independent Inspector(s) of Election (“Inspector(s)”). The Inspector must be an independent third party who is not: (i) Currently a member of the Board or a candidate for the Board; (ii) Related to a member of the Board or a candidate for the Board; or (iii) A person, business entity, or subdivision of a business entity who is currently employed or under contract to the Mutual for any compensable services other than serving as an Inspector of Elections.

The Board may select as the Inspector(s), Mutual Shareholder(s), a volunteer poll worker with the County registrar of voters, a licensee of the California Board of Accountancy, a notary public, or any other independent third-party authorized to serve as Inspector(s) under these Election Rules.

The Board, in its discretion, may remove and replace the Inspector(s) at any time prior to the date of any election.

The Board may pay reasonable compensation to a non-Shareholder third-party Inspector. If the Board determines that it will appoint and pay non-Shareholder third-party Inspector, the following terms must be fulfilled:

- (i) A formal written contract for the Inspector, stating that the Inspector is an independent contractor;
- (ii) The Inspector will maintain insurance with at least \$1 million CGL coverage, including completed operations coverage, and \$1 million D&O/E&O (naming the Mutual and GRF as additional insureds on both policies); and
- (iii) The contract shall require the Inspector to indemnify the Mutual for gross negligence and willful and/or malicious misconduct.

If an Inspector is unwilling, unable, or does not perform his/her duties as stated in these rules or becomes ineligible to be an Inspector at any time after appointment, the Board may remove that Inspector without notice, and may appoint another Inspector in his or her place.

The Inspector shall perform his/her duties impartially, in good faith, to the best of his or her ability, and as expeditiously as is practical. The Inspector shall have the duty to:

- (i) Determine the number of Shareholders entitled to vote and the voting power of each;
- (ii) Determine the authenticity, validity, and effect of proxies, if required by statute;
- (iii) Receive ballots;
- (iv) Verify the Shareholder's information and the presence of a signature on the outer envelope. For mailed ballots, the Inspector(s) may verify the Shareholder's information and presence of a signature on the outer envelope prior to the election;

- (v) Determine the existence of a quorum, if required by statute or the governing documents. For the purposes of determining a quorum, each ballot received by the Inspector(s) shall be treated as a Shareholder present, except in the case of duplicate ballots or multiple ballots from the same stock;
- (vi) Hear and determine all challenges and questions in any way arising out of or in connection with the right to vote;
- (vii) Count and tabulate all votes;
- (viii) Determine when the polls shall close, consistent with the governing documents;
- (ix) Determine the tabulated results of the election;
- (x) Report the tabulated results of the election or balloting promptly to the Board of Directors to ensure that the Board can publicize the results to the Shareholders within fifteen (15) days of the election; and
- (xi) Perform any acts as may be proper to conduct the election with fairness to all Shareholders in accordance with Civil Code section 5110, the Corporations Code, and all applicable rules of the Mutual.

The Inspector may meet and discuss election issues amongst themselves and/or with Mutual counsel. If there are three (3) Inspectors, the decision or act of two (2) or more Inspectors shall be effective in all respects as the decision or act of all. The Inspector may appoint and oversee additional persons to verify Shareholders' information and signatures and to count and tabulate votes as the Inspector deems appropriate. The Inspector's report of the election, once signed to certify the election, is prima facie evidence of the facts stated in the report.

Section 11.8 – Access to Mutual Media.

No candidate or Shareholder shall be provided access to Mutual media, newsletters or internet web sites during the campaign except with the express consent of the Mutual Board, and solely for purposes that are reasonably related to that election. The Mutual Board's consent may be withheld at its sole discretion and for any reason. In the event access to Mutual media, newsletter or internet web sites is granted to any candidate or Shareholder advocating a point of view, during any campaign for purposes that are reasonably related to that election, then all candidates and Shareholders advocating a point of view, including those not endorsed by the Board, shall be provided equal access for purposes reasonably related to that election.

In the event access to Mutual media, newsletter or internet websites is granted, the Mutual shall not censor, edit or redact any content from the communications of the candidates and Shareholders advocating a point of view, but may include a statement specifying that the

candidate or Shareholder, and not the Mutual, is responsible for the content of the message. The following statement may be published by the Mutual:

“The views expressed are those of its author and do not reflect the view of the Mutual, its directors, managers, employees or agents. The author is solely responsible for its content. The Mutual was required by law to publish the communication as written, regardless of content.”

Section 11.9 – Access to Common Area Meeting Space.

If any common area meeting space exists within the Mutual, access to such meeting space shall be made available at no cost to all candidates, including those who are not incumbents, and to all Shareholders advocating a point of view, including those not endorsed by the Board, for purposes reasonably related to the election or vote, upon reasonable request.

Section 11.10 – Mutual Funds.

Mutual funds shall not be used for campaign purposes in connection with any election except to the extent necessary to comply with the duties of the Mutual imposed by law.

Section 11.11 – Proxies.

The Mutual is not required to prepare and distributed proxies. All proxies shall be in writing and dated. No proxy shall be valid after eleven (11) months from the date of its execution unless otherwise provided in the proxy. Each proxy shall be revocable and shall automatically cease upon conveyance by the Shareholder of his or her share; upon receipt of notice by the Secretary or the Board stating the proxy is revoked, or of the death or judicially declared incompetence of a Shareholder; or upon the expiration of three (3) years from the date of the proxy. The authenticity, validity and effect of proxies submitted by Shareholders shall be determined by the Inspector(s) consistent with the Mutual’s Governing Documents and any statutory requirements. If a Shareholder submits both a proxy and a ballot to the Inspector(s), the ballot will supersede the proxy. Proxies may not be used in lieu of a ballot. Proxies may not be revoked once a proxy holder has submitted a ballot to the Inspector(s).

Section 11.12 – Voting Period.

The Mutual Board shall generally determine the dates upon which polls will open and close, consistent with the governing documents and applicable law. The Mutual shall provide general notice of all of the following at least thirty (30) days before the ballots are distributed:

- (1) The date and time by which, and the physical address where, the ballots are to be returned by mail or handed to the Inspector or Inspectors of Elections;
- (2) The date, time, and location of the meeting at which ballots will be counted;
- (3) The list of all candidates’ names that will appear on the ballot;

(4) Individual notice of the above shall be delivered pursuant to Civil Code §4040 if individual notice is requested by a Shareholder.

All candidates shall have a reasonable opportunity to communicate their qualifications to Shareholders and to solicit votes.

Section 11.13 – Secret Balloting Procedures.

The Mutual shall utilize a secret ballot process pursuant to Civil Code Section 5115 for the following matters: (i) A vote of the Shareholders regarding assessments per Civil Code Section 5605; (ii) Election of members of the Board; (iii) Amendments to the Governing Documents requiring a vote; (iv) Grant of exclusive use common area pursuant to Civil Code Section 4600; (v) Removal of directors; and (vi) Any other Shareholder vote which the law requires to be conducted via the secret ballot process.

Notwithstanding the foregoing, the Mutual may utilize a secret ballot process for any other Shareholder vote, if allowed by law or the Governing Documents.

A ballot and two pre-addressed envelopes (Envelopes # 1 and # 2) with instructions on how to return the ballot shall be mailed by first-class mail or delivered by the Mutual to every Shareholder at least thirty (30) days prior to the deadline for voting. The ballot shall contain the names of any candidates known to the Mutual at the time the ballot is mailed. If no candidates are known or if there are fewer candidates than the number of Directors to be elected, the Mutual will send out a ballot which has the names of the known candidates.

Cumulative voting is permitted in all elections.

Write-in candidates and nominations from the floor shall not be permitted.

A voter may not be identified by name, address, or Unit number on the ballot.

The ballot itself is not signed by the Shareholder voting, but rather, is to be inserted into Envelope # 1 that is sealed by the Shareholder. Envelope # 1 is then inserted into Envelope # 2, which is then sealed by the Shareholder. Envelope # 2 is addressed to the Inspector. In the upper left-hand corner of Envelope # 2, the voter shall sign his or her name, print his or her name, and indicate the address or separate interest identifier that entitles him or her to vote. Envelope # 2 may be mailed or delivered by hand to a location specified by the Inspector. The voting Shareholder may request a receipt for delivery.

Once a ballot has been cast, it cannot be revoked. Only the Mutual's ballots and envelopes which are sent out to the Shareholders by the Mutual or are provided by the Mutual at the shareholder meeting will be accepted by the Inspector(s).

The only items that may be included in the ballot packet are the notice letter, the mail- in secret ballot, voting instructions, candidates' personal statements (if submitted), and mailing

instructions for the ballot. The ballot packet shall be sent to each Shareholder no later than 30 days prior to the annual meeting. One ballot packet per Unit shall be sent.

Each candidate may submit a one-page personal statement (preferably typed) to the Stock Transfer office before the announced deadline to be included in the ballot packet. The statement shall be three hundred (300) words or less and may contain only the candidate's background and qualifications. Personal statements that advocate the defeat of another candidate or malign another person's character or actions will not be accepted.

Section 11.14 – Vote Tabulation.

All votes shall be counted and tabulated by the Inspector(s), or the duly authorized persons appointed by the Inspector(s), in public at a properly noticed Shareholder meeting. The ballots shall not be opened or otherwise reviewed prior to the time and place which the ballots are counted and tabulated. Any candidate or Shareholder may witness the counting and tabulation of the votes. Shareholders are prohibited from speaking to the Inspector(s) of Elections or their designee(s) during the tabulation process or from interrupting the tabulation process in any way. The Inspector(s), or his or her designee, may verify the Shareholder's information and signature on Envelope #2 prior to the meeting at which ballots are tabulated.

Section 11.15 – Election Results.

The Inspector(s) shall promptly report the results of the election to the Mutual Board. The Board shall record the results of the election in the minutes of the next Mutual Board Annual meeting and make them available to the Shareholders for review. Within fifteen (15) days of the election, the Mutual Board shall publicize the results of the election in a communication directed to all shareholders.

Section 11.16 – Custody, Storage and Retention of Ballots.

The sealed ballots shall, at all times, be in the custody of the Inspector(s), or at a location designated by the Inspector(s), until after the tabulation of the vote, and until the time allowed by Civil Code Section 5145 for challenging the election has expired, at which time the ballots shall be transferred to the Mutual. If there is a recount or other challenge to the election process, the Inspector(s) shall, upon written request, make the ballots available for inspection and review by a Mutual Shareholder or his or her authorized representative. Any recount shall be conducted in a manner that preserves the confidentiality of the vote.

After the transfer of the ballots to the Mutual, the election materials shall be stored by the Mutual in a secure place for no less than three (3) years following the date of the election.

The Inspector shall retain, as Mutual election materials, both a candidate registration list and a voter list. The voter list shall include the name, voting power, and either the physical address of

the voter's Unit, the parcel number, or both. The mailing address for the ballot shall be listed on the voter list if it differs from the physical address of the voter's Unit or if only the parcel number is used.

If the Qualifying Resident will be absent from the Unit for more than forty-eight (48) hours during a visitor's stay, or if the Qualifying Resident is deceased or incapacitated, then a request for a waiver must be directed to the Mutual Board.

They must obtain all necessary city and GRF Permits, and hire an approved Contractor to do the installation, which will be approved by the GRF/Mutual Two Building Inspector. Two flags may be flown on this pole, so long as no flag flies above the American Flag, and the American Flag is not flown upside-down signaling distress. Flag etiquette must be maintained for our State, County, and National Flags.

14.5.2 Death of Sole Shareholder.

(i) Unattended Death. If the death of the sole Qualifying Resident/Shareholder is unattended – i.e., no other individuals are present at the time of death and the Unit is sealed per law enforcement or the Coroner order’s, then no one, including without limitation, next of kin, trustees, Shareholders, visitors, guests, or registered caregivers, may access the Unit until otherwise directed by law enforcement or the Coroner. In the event that any individual desires to access the Unit, the Mutual reserves the right to prevent such entry pending further authorization from law enforcement or the Coroner. Security will place the Bereavement Book at the front of the Unit and reserve the right to place a knob lock on the door. If the door is unable to accommodate a knob lock, a plywood sheet may be affixed over the door.

(ii) Attended Death. If the death of the Qualifying Resident/Shareholder is attended, Security will complete a DOA Report, to identify all individuals present at the time of death. Security will deliver the Bereavement Book to the Unit. Security may also verify such legal authority. Notwithstanding the foregoing, Security will inform all persons present that no one may stay in the Unit overnight without Mutual permission, unless they are a Qualifying Resident, Qualified Permanent Resident, or registered Co-Occupant. Visitors and guests may request, from the Mutual Board, an emergency waiver to remain in the Unit for a limited period of time. ARTICLE XV – PENALTIES, FINES & FEES

Section 15.1 – General Violations.

In order to enforce the Governing Documents and Rules and Regulations, the Mutual Board may levy, assess, and collect reasonable fines as established by the Board of Directors pursuant to these Rules and the Fine Schedule attached hereto as Exhibit “D” and incorporated herein. The fines will be assessed against the Shareholder for violations by the Shareholder, members of the Shareholder's family, or the Shareholder's guests, invitees, licensee, tenants or lessees, pursuant to the following policy:

15.1.1 Violations. If there is a violation of the Governing Documents, including the Occupancy Agreement or these Rules, any Shareholder may contact the Mutual Board or GRF, in order to report the alleged violation to the Mutual Board. Violation reports should be in writing and should describe the violation, identify the alleged violator, and identify the individual making the report. Please note that Shareholders do not have the right to remain anonymous when reporting an alleged violation. Upon receipt of a violation report, the Mutual Board will commence the enforcement process and determine whether a violation has occurred. The Mutual Board has complete discretion to decide whether or not to take action on a written violation complaint and what action, if any, will be taken. The Mutual Board may investigate any reported violation in order to determine whether the alleged violation has potential merit and, if so, whether the violation warrants action by the Board. Violations may also be noted by members of the Mutual Board, GRF, and/or staff during regular walkthroughs of the Mutual.

15.1.2 Enforcement Procedures. The Mutual reserves the right to take legal action in order to enforce compliance with the Governing Documents at any stage in the enforcement process. Serious violations warranting immediate action may be forwarded to legal counsel with or without taking the steps outlined below. Violations which the Mutual Board decides to address internally will be dealt with as follows:

- A. Upon determination that an alleged violation has potential merit, a courtesy notice (warning letter) may, in the discretion of the Mutual Board, be sent to the allegedly offending Qualifying Resident/Shareholder (“Respondent”) identifying the violation and requesting compliance within a stated period of time. A courtesy notice is not required prior to calling Respondent to hearing.
- B. The Mutual shall send a notice of hearing to the Respondent stating the nature of the alleged violation, referencing the specific provision of the Governing

Documents which the Respondent is alleged to have violated, and inviting the Respondent to appear at a hearing before the Mutual Board to be held no sooner than fifteen (15) days from the date of the notice. The notice shall further advise the Respondent of his or her right to attend the hearing, submit a statement of defense to the Mutual Board in advance of the hearing or present a statement of defense and supporting witnesses at the hearing. If the Respondent does not attend the hearing, the Respondent waives these rights.

- C. The Mutual Board shall conduct the hearing in executive session (unless requested otherwise by the Respondent) and shall afford the Respondent a reasonable opportunity to be heard.
- D. If the Shareholder is found to be in violation of the Governing Documents following the hearing, the Mutual Board may do any of the following, as noted in the hearing notice:
 - a. Impose a monetary fine against the Shareholder pursuant to the Fine Schedule.
 - b. Levy a special reimbursement assessment against the Shareholder pursuant to the Governing Documents.
 - b. Declare the Shareholder to be not in good standing as set forth in these Rules.
 - d. Suspend the Qualifying Resident/Shareholder's voting rights and/or rights to use the recreational facilities if and as provided in the Mutual Governing Documents.
 - e. Any combination of the above.
- E. Any disciplinary action taken should be recorded in the minutes of the meeting at which the disciplinary action was taken by the Mutual Board. No action against the Respondent arising from the alleged violation may take effect before five (5) days after the hearing.
- F. The Mutual Board shall provide the Shareholder with written notice of the outcome of the hearing and any disciplinary action taken by the Mutual Board within ten (10) days after the hearing. In the case of a continuing violation, the notice of hearing decision may include a notice of a continuing fine, if authorized by the Fine Schedule, or notice of a subsequent hearing on the same violation to be held no sooner than thirty (30) days from the original hearing date, unless the violation is sooner remedied.
- G. Fines imposed by the Mutual Board after a hearing shall be due immediately upon notice of the hearing decision to the Owner. Special Assessments levied by the

Mutual Board shall be due thirty (30) days from the date of the notice of hearing decision, or upon such other later date specified therein not to exceed sixty (60) days from the date of the notice.

15.1.3 Fine Schedule. The schedule of monetary penalties which the Mutual Board may impose for general violations in accordance with the above procedures is attached to these Rules as Exhibit "D". The Mutual Board reserves the right to revise the Fine Schedule at any time through a rule change procedure and the most recent Fine Schedule shall be distributed to the Shareholders on an annual basis. Fines for parking violations are not included in Exhibit "D" but, rather, are set forth below in Section 14.2.7 of these Rules.

Section 15.2 – Parking Violations.

Any Shareholder or Qualifying Resident charged with the violation (Violator) can pay the fine or the Violator has the right to contest the "rules violation" in writing to the Parking Rules Violations (PRV) panel within ten (10) business days of the date of the violation. If Shareholder provides written notice that he/she is contesting the violation, a hearing will be scheduled by the PRV of the Mutual. Violator may submit a response in writing within ten (10) business days of the violation to the PRV, if they are unable to attend the hearing. Shareholders will be notified in writing of the results of the hearing within fifteen (15) business days. Except that contractors will be adjudicated by the Facilities Director, Health Care Center (HCC) employees will be adjudicated by HCC management and GRF employees will be adjudicated by GRF Human Resources Department.

15.2.1 The written Rules Violation Notice ("Citation") serves as written notice of the violation and hearing (Civ. Code Section 5855). The following items will be set forth in the written Citation: (1) Description of violation, including time of violation and location and possible penalties (including possible monetary penalties); and (2) Hearing date, time, and location of Hearing.

15.2.2 The Notice Handout supplements the Citation and must contain the following: (1) The date, time, and place of the hearing; (2) The nature of the alleged violation (including the date/time and location) for which a Shareholder may be disciplined; (3) A statement that the Shareholder has a right to attend the hearing and present evidence.(Civ. Code Section 5855(b); (4) Notification that a failure to respond will acknowledge acceptance of the violation and the corresponding fine may be imposed; and (5) A section to indicate the need for an interpreter and the language requested. The PRV must be notified at least ten (10) business days prior to the hearing if the Shareholder will bring an interpreter.

15.2.3 A Shareholder may request one extension of the panel hearing under these following circumstances: (1) An extension of Hearing date at least 48 (forty-eight) hours prior to

the scheduled PRV hearing with no explanation; (2) An extension for medical, health or family issues; (3) The written notification to the PRV panel that the Violator is bringing a lawyer. This will require a minimum 30-day extension to ensure Mutual attorney will be present; or (4) A second extension may be granted by the PRV.

15.2.4 The Shareholder has the right to examine and refute evidence. The photos may be viewed in the Security Office by appointment. The Security Department will have a representative present to explain all relevant information and evidence. This may include questions during the hearing. Shareholders also have the right to submit their defense in writing rather than make an appearance before the PRV. The Shareholder may bring an Observer or interpreter. The PRV panel hearing is a closed meeting. Hearings will be held in executive session. The Shareholder may request an open hearing. If the Shareholder does not appear at the scheduled hearing without prior notification to the PRV panel, this will be accepted as agreement by the Shareholder of the validity of the violation and the appropriate fine may be assessed.

15.2.5 The PRV panel shall make "findings" to support the panel's decision regarding the alleged violation. Findings may allow for vacating the citation. . Notice of the panel's decision must be given by first-class mail within 15 business days following the PRV's decision. The letter of decision shall include the PRV panel's findings.

15.2.6 The PRV panel will meet on the 4th Monday of each month at 9:00 a.m. in Administration Conference Room A. A second meeting will be scheduled if the volume of hearing requests is too large; in which case the panel will also meet on the 4th Wednesday at 1:00 p.m. in Conference Room B.

15.2.7 All violations of the Parking Rules as set forth in Article IV of these Rules and Regulations, may be assessed a monetary penalty in the following amounts:

(1) First Offense. The first offense may result in either a Fix-It citation, a Warning, a Fine or the vehicle being towed. See table below. A Fix-It citation provides the Qualifying Resident with thirty (30) days to correct the issue set forth in the Fix-It citation. The fine **may** be waived by the PRV panel.

(2) Additional citations may be issued after each 24-hour period.

(3) After the fourth RV or VUFR violation all RV or VUFR parking privileges are suspended for twelve (12) months beginning with the date of the fourth infraction.

ARTICLE XVI – COLLECTION POLICY

Section 16.1 – Regular and Special Assessments.

Regular assessments are due and payable, in advance, on the first day of each month. If imposed, special assessments and reimbursement assessments shall be due and payable on the due date specified by the Mutual Board. Regular, special and reimbursement assessments (hereinafter

collectively referred to as "Assessments"), interest, late charges, collection costs and reasonable attorney's fees, if any are imposed, are the personal obligation of the person who is the owner of the shares of stock associated with the Unit at the time when the assessment or other charge fell due.

Section 16.2 – Late Charges.

Assessments are delinquent fifteen (15) days after they become due. A late charge not exceeding ten percent (10%) or ten dollars (\$10.00), whichever is greater, may be applied if payment in full of any Assessment is not received thirty (30) days after the payment is due. A late charge will not be imposed more than once per delinquent installment.

Section 16.3 – Interest.

An interest charge at a rate not to exceed twelve percent (12%) per annum will be assessed against any outstanding balance, including delinquent Assessments, late charges, and cost of collection, which may include attorney's fees. Such interest charges shall accrue thirty (30) days after the Assessment becomes due and shall continue to be assessed each month until the account is brought current.

Section 16.4 – Additional Charges, Costs and Attorney's Fees.

Pursuant to Civil Code Section 5650(b), the Mutual is entitled to recover reasonable collection costs. Such collection costs include, without limitation: All late charges, interest, attorney's fees, management costs, mailing costs, recording costs, publication costs and service costs. Such collection costs will become the liability of the delinquent Shareholder. It is the policy of the Mutual not to routinely waive any duly imposed collection costs. Please also note that returned checks may be subject to a service fee.

Section 16.5 – Application of Payments on Delinquent Assessments.

Payments received on delinquent Assessment accounts will be applied first to the Assessments owed, and then applied to collection costs, administration fees, attorney's fees, late charges, interest, and any other amount due to the Mutual in connection with collection of delinquent Assessments.

Section 16.6 –Special Assessment.

If a special Assessment is payable in installments and an installment payment of that special Assessment is delinquent for more than thirty (30) days, all installments will be accelerated, and the entire unpaid balance of the special Assessment shall become immediately due and payable. The remaining balance shall be subject to late charges, interest, costs of collection, and lien rights as provided herein.

Section 16.7 – Unlawful Detainer.

If the delinquent Shareholder does not bring the account current within thirty (30) days of notice of the delinquency, the Mutual can seek unlawful detainer and eviction pursuant to the terms of the Shareholder's Occupancy Agreement.

Section 16.8 – Partial Payments.

Any Assessment payments received from a delinquent Shareholder will be applied to that Shareholder's account. However, absent receipt of payment in full of all amounts due, the Mutual will proceed with any unlawful detainer action initiated against the Shareholder's separate interest, or the delinquent Shareholder personally, pursuant to and consistent with the requirements of California statutory and case law unless the payments are remitted pursuant to a written payment plan approved by the Mutual Board.

Section 16.9 – Lawsuit.

The Mutual may, at any time, determine to file a personal lawsuit against the delinquent Shareholder to recover all delinquent charges pursuant to relevant law. All costs and attorneys fee in connection with the lawsuit, in addition to the delinquent charges and other collection costs, will be sought from the delinquent Shareholder.

Section 16.10 – Attorney's Fees.

If a lawsuit or unlawful detainer action is initiated by the Mutual to recover Assessments, the Mutual is entitled to recover not only the amount in default, but also reasonable costs of collection, including title company charges and attorney's fees as provided for by statute, as well as the Mutual's Bylaws, the Shareholder's Occupancy Agreement, and/or other Governing Documents.

Section 16.11 – Suspend Privileges and Voting Rights.

The Board may, having provided the Shareholder with a Notice of Hearing pursuant to Civil Code Section 5855, suspend the common area privileges and voting rights of any Shareholder who is more than thirty (30) days delinquent in paying any Assessment. Common area privileges and voting rights will remain suspended until the delinquency, including any accumulated penalties, interest and costs of collection, has been paid in full.

Section 16.12 – Secondary Address.

Shareholders have a right to identify in writing to the Mutual a secondary address for purposes of, without limitation, collection notices delivered pursuant to this Article XV. Upon receipt of a written request from a Shareholder identifying a secondary address, the Mutual shall send notices to that secondary address.

Section 16.13 – No Right of Offset.

There is no right of offset. A Shareholder may not withhold Assessments owed to the Mutual on the alleged grounds that the Shareholder would be entitled to recover money or damages from the Mutual based on some other obligation or some claim of another obligation.

Section 16.14 – Charges and Fees Subject to Change.

All charges and fees set forth in this Article XV are subject to change upon rule change notification to the Shareholders.

Section 16.15 – Dismissal of Action Upon Payment.

Within twenty-one (21) days of payment in full of all delinquent Assessments and charges, the attorney will dismiss the unlawful detainer action, and will provide the Shareholder with a copy of such dismissal.

Section 16.16 – Right to Receipt.

When a Shareholder makes a payment, the Shareholder may request a receipt and the Mutual shall provide same which shall indicate the date of payment and person who received such payment.

Section 16.17 – Overnight Payments.

Payments may be made by overnight mail to the following address: Leisure World, Attn: Cashier, Finance Office, P.O. Box 2069, Seal Beach, California 90740
